## **ENTREPRENEURSHIPS**

### **TechRA Learning Center - EdTech Company**

#### **Founder & CEO**

- I have launched an IT institution in Bangladesh where myself and other teachers offer courses in various IT skills such as Web Development, App Development, Digital Marketing, and Graphics Designing. We conduct both online and offline classes. Since our inception in 2022, we have attracted over 100 students, and more than 200 students have completed courses with us. Many of our graduates are now employed as proficient freelancers in marketplaces or IT companies in Bangladesh.

### **Tukkri - Online Gadget Shop**

#### **Founder & CEO**

- I began selling gadgets across Bangladesh via an online store during the COVID-19 lockdown. However, I had to close the store due to a decline in sales following the pandemic.
